

BIBLES FOR RUSSIA

August 2015

Dear Partner,

Thank you for your financial support and prayers for our mission to Russia. We had a great trip that was very successful for the Kingdom. We ministered in 8 churches, most of which were in remote villages and towns and churches we had helped start in the 1990s. Eight people came to know the Lord. Praise the Lord.

One of the churches where we ministered on this trip was in Duldurga. We first went there in 1993 and returned the next year much to the surprise of the people there. They told us most people don't return for subsequent visits. Alfred and our team conducted a pastors' conference there in the mid to late 1990s. This trip was the first time I had been to Duldurga in 15 years and it was such a joy to see many old friends again.

We ministered at the church in Duldurga and prayed for the sick. One man was healed instantly during prayer. Pastor Alexi, who pastors a church nearby, was attending the service. He has married since I saw him last and now has a daughter. We also met the new pastor and his wife. She prepared a delicious lunch before we left for church then we had dinner and a time of fellowship with them after church.

Joyce, who is a very good teacher, taught 3 seminars. We also ministered to senior citizens in one city, in rehab centers, attended a baptism service and prayed for the sick including one man suffering from bone cancer. We bought groceries for poor families and ministered to them and their children. I gave the children a 5-color pen and Joyce shared the plan of salvation.

Thank you again for your prayers and financial support. The church congregations told us to say "thank you" for sending us.

In Christ,
