

BIBLES FOR RUSSIA

November 2019

Dear Partner,

Our team has just returned from the mission to Central and Western Ukraine. Thank you for your prayers and contributions that made the mission possible.

About a week before we were to leave on this mission, I still could hardly walk and was in a lot of pain after just sitting for an hour. When I got on the plane to begin the mission, I prayed and asked God to take away the pain. Praise the Lord, He did. I had some problems with my heart, mostly high blood pressure related, but no pain related to my hip replacement. Thank you to all who prayed for me.

In Khomutets we stayed in the home of Pastor Sergey, his wife Natalia and their 10 foster children. Pastor Sergey has a heart for people to come to know the Lord. Three or four times a year he goes to Eastern Ukraine where there is war. He has started churches in that area and many people come to know the Lord through his ministry. Please pray for Pastor Sergey as he prepares to go to Eastern Ukraine. Please pray that God will keep him safe and many will come to know the Lord.

We had a great trip that was guided by the Lord. Our team had opportunity to minister as follows:

- * in a rehab center
- * at seminars for ladies
- * in nursing homes (32 residents accepted the Lord as Savior)
- * in churches
- * to refugees from Eastern Ukraine
- * by taking gifts and ministering to orphans
- * to foster children
- * by ministry to the disabled
- * to poor families, taking them much-needed food
- * to the visually impaired

Thank you to all who gave to make this mission possible and all who prayed for its success. May God bless each of you.

In Christ,

P.S. On December 30 I will go to Kherson, Ukraine to minister and take gifts to orphans and poor children. Also, we will minister to poor families and take them food. Please pray about sending me as your missionary.
